## Trần Thị Thu Phương (B21DCAT151) 07:10

student@ubuntu: ~/labtainer/labtainer-student

File Edit View Search Terminal Help

Press <enter> to start the lab

```
student@ubuntu:~/labtainer/labtainer-student$ checkwork
Results stored in directory: /home/student/labtainer_xfer/arp-spoof
Labname arp-spoof
```

Student	did_spoof
=====	=====
B21DCAT151	Y

What is automatically assessed for this lab:

did\_spoof: Student captured at least 10 packets sent between the client and the web server, presumably using arp spoofing.
